Logo Use Guide

PLACEMENT

Consider the best logo variation to use for the background it is placed on. All parts of the logo should be legible.

There must be good contrast with the background so all parts of the logo are clear.

Logo Use Guide

PLACEMENT

The logo colours should not be changed and the proportions should not be altered.

Logo Use Guide

STRAPLINE

When the logo is used in a small area, the strapline should be removed. When in situ, if you cannot read the words clearly you should use the version without the strapline.

Logo Spacing

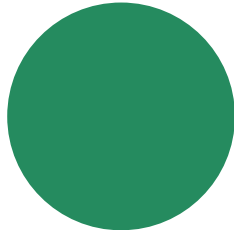

SPACING

Try to maximise clear space around the logo wherever possible. Always scale the logo proportionately.
